

PyTorch for Deep Learning

Getting started with Neural Networks & Deep Learning using PyTorch

Bijoyan Das

Developer | AI Enthusiast
GitHub/bijoyandas

Overview

Foundations of Deep Learning

Introduction to Neurons & Neural Networks

Introduction to PyTorch

Hands On with PyTorch Tensors

Gradient Descent Optimization

Hands On with Gradient Calculation

Training & Visualizing a simple linear model

Building a Regression Model using PyTorch

Layers from Scratch

Building a Classification Model using PyTorch

Layers from Scratch

Overview

Foundations of Deep Learning

Introduction to Neurons & Neural Networks

Introduction to PyTorch

Hands On with PyTorch Tensors

Gradient Descent Optimization

Hands On with Gradient Calculation

Training & Visualizing a simple linear model

Building a Regression Model using PyTorch

Layers from Scratch

Building a Classification Model using PyTorch

Layers from Scratch

Overview

Foundations of Deep Learning

Introduction to Neurons & Neural Networks

Introduction to PyTorch
